Reviews like this are the reason we won

Perfect location, within walking distance from local supermarket, restaurants and small cove to swim. Owner really helpful with bus times, points of interest. Etc.

Beds all comfortable and kitchen well equipped. Not a TV fan but all sky channels there to view and WiFi very quick.

Lovely spacious Villa, with all the comforts of home. Hosts were fantastic and couldn't do any more to help us enjoy our stay!

We had a lovely family holiday in this Villa, beautiful quiet location close to the pretty Marina. The fantastic swimming pool got lots of use and the Villa had everything we needed, including lots of space.

We would definitely revisit!

Large and very comfortable villa and Alexia the host was fabulous. Good sized pool and plenty of space around it. Lots of kitchen appliances and they all worked perfectly.

Would recommend.

It was a beautiful property, well furnished and clean. Lovely welcoming owner. Big pool. Lovely views from the balcony.

Swimming pool

Villa Dédalos has a 10 x 4.5 metre swimming pool. This can be heated on request for an extra charge.

To prevent the pool from accumulating dirt or losing heat, the pool should always be covered at night and when not in use for more than two hours.

Make sure that children are under adult supervision when using the pool.

Swimming pool rules

- ✘ No running or horseplay around the pool.
- ✘ Do not use glass or crystal objects in and around the pool.
- ✘ For purely hygienic reasons, do not eat or drink in the pool.
- ✘ Do not use the pool in case of illness.
- ✘ Avoid jumping into the pool.
- ✘ Do not lean on or pull on the lights in the pool, since they are solar spotlights glued to the wall.

Sunbeds and parasols

For hygienic reasons, please cover the sunbeds with a towel during use.

To avoid accidents, keep the parasols closed at night when the sunbeds are not in use.

Balcony and barbeque

Leaving the main living room we find a large terrace-balcony with views of the mountains and a beautiful palm grove. When the weather is fine, you can even see the island of Fuerteventura and the islet of Lobos.
